

This letter is to recommend the ministry of Mike and Becky Dyson to you. I have known Mike and Becky personally for four years, and I have been the director of two of the education programs under which they have studied. Mike and Becky have been students in the Christian Healing Certification program and are graduates of the Global Awakening School of Ministry.

Mike served as my intern and administrative assistant during this third year at GSSM, and Becky served as the intern and administrative assistant to our Second Year Pastor at GSSM. In all of their time here at our school, they performed with excellence and went above and beyond in their service. They have also come along side other ministries to bless them.

Mike and Becky have a call to encourage and strengthen the Body of Christ in the power of the Holy Spirit. They are gifted teachers and equippers, and release the power of God's love everywhere they have ministered.

I encourage you to welcome the ministry of the Dysons to bring a fresh move of the Holy Spirit and bring the gospel of the Kingdom of God. If you have more questions, please feel free to contact me @ mike.hutchings@globalawakening.com.

In Christ for His Kingdom,

Dr. Mike Hutchings, Director
